How to get to Bateaux Parisiens during the Olympic Games?

The Eiffel Tower and the Port de la Bourdonnais, where the Bateaux Parisiens are located, are in the red zone. This area is accessible on foot without restriction.

> On foot or by bike:

- All area (red or blue) are accessible on foot and by bike without restriction.
- Please note : The Pont d'Iéna will be closed to traffic from July 1st, then also closed to pedestrians and bikes from July 12th to 16th and from July 22nd onwards.

> By public transport:

The metro and RER stations around the Eiffel Tower will be closed:

- **Metro:** Tuileries, Champs-Élysées-Clémenceau, Alma Marceau, Iéna, Trocadéro, Passy.
To reach the Eiffel Tower by public transportation, we recommend using the "Bir-Hakeim" station on metro line 6, which is an 800-meter walk from the site, or the station "Dupleix" on the same line. Expect about a fifteen-minute walk.
- **RER C:** Champ de Mars Tour Eiffel, Pont de l'Alma.
Please note that RER C could be closed from July 24th to 26th inclusive.
It's also possible to take the RER C, and go to the "Avenue du Président Kennedy" station.
Allow approximately 20 minutes for walking to reach the site.
- **Buses** will continue to operate on dedicated Olympic lanes. However, some lines will be diverted in the Camps-de-Mars and Trocadéro areas (information to come from RATP).

Feel free to check the real-time traffic information on the RATP website by following this [link](#).

> Coaches / Taxis / VTC

- Access to tourist coaches and buses is prohibited inside the red perimeter. Parking areas will be provided outside the perimeter. Therefore, the parking lot at the Port de la Bourdonnais (Bateaux Parisiens) will not be accessible.
> To find out about the parking facilities open to buses during the Olympics, we invite you to consult the following link: [Bus Traffic and Parking](#).
- Please note : Before July 18th, the parking at Bateaux Parisiens is accessible.
- Taxis and VTCs can circulate within the red perimeters only to drop off or pick up an identified client or a spectator with a ticket.
> You can find all the details regarding security perimeters and traffic during the Olympic Games by consulting the official website of the city of Paris: [here](#).

To get more information, please consult the interactive map of transportation impacts in Ile-de-France by clicking at this [link](#).
