ACCESS CONDITIONS

How to obtain the pass for the Bateaux Parisiens?

> On **July 18**, the Port de la Bourdonnais site, including the **Bateaux Parisiens**, will be included in the **SILT** zone perimeter.

To ensure the security of the immediate vicinity of the Seine, which will become the iconic site for the opening ceremony of the Olympics, an anti-terrorism protection perimeter (or **SILT**, Domestic Security and Counterterrorism) will be established.

Pedestrians and cyclists will be allowed to access this perimeter, provided they have a **digital pass**. You can submit your "pass" request as soon as you receive your booking confirmation or voucher by clicking on this [link](#).

> Note: **Each person included in the reservation must request a pass**. To do this, the booking confirmation received must be forwarded to each guest so they can, in turn, request a pass.

!/\ This pass is mandatory to access the Bateaux Parisiens, so it is imperative to obtain it on the website: [Demander un Pass Jeux - Pass Jeux \(pass-jeux.gouv.fr\)](#). The Bateaux Parisiens declines all responsibility in the event of failure to present the "Pass", resulting in a refusal of access. We recommend initiating this process as **early as possible** before your arrival date. **!/**
